

Dear students,

Much awaited summer holidays are here it's all about fun, getting up late in the morning, playing for longer hours with friends, going for picnics, exploring new plans and watching fun filled shows on television. But dear children, there is lots more you can do to make your vacation more interesting, meaningful and full of fun. These below mentioned homework will surely prepare you for a better and more fruitful year ahead.

NOTE [Buy a separate copies to do your English and Arith H.W.]

- 1) **Mathematics:** (1) Learn tables 2 to 12 and write it down to memorise them
(2) Find and write about any two mathematician and their role in the field of mathematics. Paste their pictures also.
- 2) **Creative writing:** On a drawing sheet mention the points given below under the heading 'My Qualities'

I'm responsible when –	I'm very helpful -
I show honesty by –	I care about others, I show it by -
I'm co-operative when –	My ambition in life is to – and why?
I show respect by –	
- 3) **Social Studies:** Take help from your family member to collect and paste pictures and to write about the places of tourist interests food, climate, language commonly spoken by the people living in the cities like Delhi. Chennai, Ahmadabad, Bengalures, Haridwar.
- 4) **Reading:** As already mentioned in the reading assignment. Read for the month of June (Genre- biography) About some of the famous legends as mentioned below. Paste the pictures and write at least 15 lines on each in your reading copies.
 - a- Mother Teresa (Social activities)
 - b- Sachin Tendulkar (Sports)
 - c- Gautam Buddha (Religious and spiritual gurus)

[Apart from this cultivate this habit of reading books of your choice as books can be your best friend].
- 5) **Science** (be an eco – buddy)
 1. Make a Garden in your house in order to reduce global morning. (How to make the garden?)
 - Take waste/old containers (e.g. bottle, jars posts)
 - Colour them nicely using poster colour and covert into planters.
 - Put some soil in these planters, water them every day and match them.

Grow. [click at least 3 pictures of yourself doing the activity and paste it on the drawing sheet]
 2. Make a Bird Bath in this heat. Look for a flat container and place it on the balcony slab or outside your home. Put some pebbles and stones in it to make base heavy. Pour some fresh water in it every day for the birds, squirrel etc. To drink from it (click the pictures for the same as mentioned above)
- 6] Learn the spellings: Learn the spellings at least 25 words and its mean (it can be from your test books news paper, magazine , story books) or any other place.
[Bring 2 charts papers with decorated borders]
